

COMPUESTO MO-560	REVISION: 001	DATE 04 MAY 2009
------------------	---------------	------------------

ZEIBE LEATHER CLEANER SAFETY DATA SHEET

1. Identification of the substance/preparation and of the company/undertaking

Product information

- **Product internal name:** Compuesto MO-560
- **Commercial name:** Leather Cleaner
- **Intended use of the substance/preparation:** Moisturizing Cleaning Cream

Manufacturer

Procesos a Terceros S.L.
Avda. Principal, 37 naves B-C-D
Pol. Ind. Can Clapers
08181 Sentmenat (Barcelona)
Spain

Distributor

Zeibe Professional Care S.L.
C/ Puig dels Tudons, talleres 8, naves 79-81
Pol. Ind. Santiga
08210 Barberà del Vallès (Barcelona)
Spain

2. Composition/information on ingredients

Composition	CAS No.	EINECS No.	Classification	R Phrases
15%< Aliphatic Hydrocarbon	64742-48-9	265-150-3	Xn F	R-10 R65 R66
5%< Ethoxylated fatty alcohol	68951-67-7	-----	Xi	R-22 R-36/38
10%< Ethoxylated oleo-cetyl fatty alcohol	24938-91-9	-----	Xn	R-36/38
15%< Mineral oil	8042-47-5	232-455-8	Not classified	None required

3. Hazard identification

- **Hazard nature:** It does not contain hazardous ingredients in a sufficient quantity.
- **Health hazards:** Harmful if swallowed.
- **Environmental hazards:** Apparently riskless.
- **Inadequate intended use:** Not observed.

COMPUESTO MO-560	REVISION: 001	DATE 04 MAY 2009
------------------	---------------	------------------

4. First aid measures

- **General advice:** Risks in its use are considered low.
- **Inhalation:** Riskless.
- **Skin contact:** Riskless.
- **Eye protection:** Irrigate copiously with clean water.
- **Ingestion:** If swallowed, wash with clean water and seek medical advice if symptoms persist.

5. Fire-fighting measures

- **Suitable extinguishing media:** All extinguishing agents are allowed.
- **Specific hazards:** Fire will produce smoke containing carbon monoxide and carbon dioxide, which are harmful to health.
- **Protective equipment:** Use all suitable media to extinguish surrounding fire according to combustible which has caused the fire.

6. Accidental release measures

- **Personal precautions:** Avoid contact with product.
- **Environmental precautions:** Do not let product enter drains, surface waters or subterranean waters. In case of a big spillage, notify the respective authorities.
- **Methods for cleaning up:** Contain and collect spillage with non-combustible absorbent materials, e.g. sand, earth, vermiculite, etc. and place in container for disposal according to local regulations.
- **Additional precautions:** Take into consideration sections 8 and 13.

7. Handling and storage

In accordance with RD 374/2001 of 6th April.

Handling

- **Safe handling advice:** Do not take product out from original container neither transfer it to another one. Avoid product spatter in eyes.

Storage

- **Requirements for storage and containers:** e in original containers between 5 and 40°C. Comply with national, regional or local governing laws.
- **Additional directions:** Cleaning and moisturizing cream for leather.

COMPUESTO MO-560	REVISION: 001	DATE 04 MAY 2009
------------------	---------------	------------------

8. Exposure controls/personal protection

Professional exposure controls in accordance with RD 374/2001 of 6th April.

- **Exposure limits, TLV/TWA:** Not applicable.
- **Exposure controls:** Not applicable.

Suitable protection in accordance with RD 1407/1992 of 20th November.

- **Respiratory protection:** Not necessary.
- **Skin protection. Hands:** Not necessary.
- **Eye protection:** Wear goggles for protection against solvent spatter.
- **Skin protection. Rest of the body:** Not necessary.
- **Environmental exposure controls:** Riskless.

9. Physical and chemical properties

• General information	
Form:	Cream
Colour:	Vanilla
Scent:	Vanilla/naphtha
pH	7.5
• Boiling point/range:	< 100°C
• Flash point:	Not flammable
• Explosion hazard:	Not explosive
• Comburence hazard:	Not comburent
• Density:	1.000 g/cm ³ (20°C)
• Water solubility/miscibility:	Miscible
• Viscosity:	Not applicable

10. Stability and reactivity

- **Thermal decomposition/conditions to avoid:** Stable under recommended storage and handling conditions.
- **Hazardous reactions:** Possible reaction with oxidizing agents.
- **Hazardous decomposition products:** No data available.

COMPUESTO MO-560	REVISION: 001	DATE 04 MAY 2009
------------------	---------------	------------------

11. Toxicological information

- There is no data available on the product.**
- Acute toxicity
 - Primary stimulant effect
 - In eyes: Irritant
 - In skin: Riskless
 - Additional toxicological directions
 - **Inhalation:** Riskless
 - **Ingestion:** Harmful if swallowed; it can cause irritation in mouth and upper digestive tract.

12. Ecological information

- There is no data available on the product.**
- General directions
 - Ecotoxicity
 - Risk levels for water
 - Mobility:
 - Other adverse effects:

13. Disposal considerations

- **Product**
 - **Recommendations:** The product should not be allowed to enter drains or watercourses.
- **Uncleaned packaging**
 - **Recommendations:** Waste materials, including properly emptied containers, are to be recycled, recovered or disposed of by authorised and/or qualified agents. In any case, treatment to be adopted shall comply with relevant European, national and local governing laws.

14. Transport information

· Road transport ADR/RID and GGVs/GGVE (international/national):
· ADR/RID-GGVs/E class: Not classified
· Additional transport information:
· IMDG class: Not classified
· Sea pollutant: Not classified
· Air transport ICAO-TI and IATA-DGR:
· ICAO/IATA class: Not classified

COMPUESTO MO-560	REVISION: 001	DATE 04 MAY 2009
------------------	---------------	------------------

15. Regulatory information

According to Regulation on classification, labelling and packaging of dangerous products R.D. 255/2003 of 28th February, the product is labelled as follows:

• **Hazard symbol:**

• R Phrases:	R-22	Harmful if swallowed.
• S Phrases:	S-2	Keep out of the reach of children.

16. Other information

Full text of R phrases: (Section 2)

R-10 Inflammable. R-22 Harmful if swallowed. R-65 Harmful: may cause lung damage if swallowed.

R-66 Repeated exposure may cause skin dryness or cracking.

R-36/38 Irritating to eyes and skin.

The information of this SDS is based on the present state of our knowledge and meets the requirements of the EU and National governing laws. The user's working conditions however, are beyond our knowledge and control. The product is not to be used for purposes other than those specified under section 1 without a written permission. It remains the responsibility of the user to ensure that the necessary steps are taken to meet the governing laws and regulations. The information given in this SDS is to describe the product only in terms of health and safety requirements and should not, therefore, be construed as guaranteeing specific properties. This SDS has been elaborated in accordance with Annex VIII of R.D. 255/2003 of 28th February.
